**Nice è una collezione
reception ben strutturata
e ricca di componenti ed
accessori che consente di
progettare composizioni
di grande complessità e
di forte impatto scenico.**

Nice is a well structure
reception system enriched
by many components
and accessories that can
be combined to design
compositions of great
complexity and strong
visual impact.

Nice est une collection
de comptoirs d'accueil
bien structurée et riche en
composants et accessoires
qui permettent de concevoir
compositions d'une grande
complexité à fort impact
visuel.

cod. 67

L'articolazione delle altezze definisce le differenti funzioni della reception: operatività, ricevimento in piedi, conversazione o accoglienza di ospiti diversamente abili. Nice soddisfa ogni esigenza senza mai perdere la sua eleganza.

Different heights to define the various functions of the reception counter: operation, standing reception, conversation or welcoming of guests with disabilities. Nice meets all needs without ever losing its elegance.

L'articulation des hauteurs trace les différentes fonctions de l'accueil : opérations, accueil debout, conversation ou accueil de personnes en situation de handicap. Nice satisfait toutes les exigences tout en gardant son élégance sans jamais la perdre.

← Mensola in vetro e fianco di finitura con profilo in alluminio.
Glass shelf and finishing side panel with aluminium profile.
Étagère en verre et côté de finition avec profil en aluminium.

La composizione lineare con mensola in vetro, posta a parete o a centro stanza, si impone per le linee decise e per l'abbinamento di materiali e finiture diverse. Il punto informativo o di accoglienza diventano espressione di qualità e stile di colui che riceve.

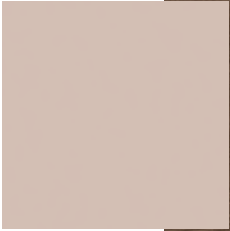

The linear composition with glass shelf, against the wall or at the centre of the room, stands out for its clear lines and for the combination of different materials and finishes. The info-point or reception counter becomes an expression of the quality and style of the host.

Cette composition linéaire avec étagère en verre, contre la paroi ou au centre de la pièce, est caractérisée par des lignes fortes et par la combinaison de différents matériaux et finitions. Le point d'information ou d'accueil devient expression de qualité et style de ceux qui accueillent le visiteur.
